The graphic features a green banner with the title 'RECYCLE BEYOND THE BAG' and a recycling symbol. Below the banner, the text 'Recycle your household bags & wrap into Trex's Earth-friendly composite decking and railing!' is displayed. The graphic is divided into three sections: 'FROM THE STORE', 'FROM YOUR PANTRY', and 'FROM YOUR FRONT DOOR'. Each section includes a list of acceptable plastic items with checkmarks. The background is a light wood grain texture.

All plastics must be clean and free of food and organic residue! There will be bins clearly marked placed in the back of the library for dropping off the plastics.

Thank you for your cooperation with this project by helping us reach our goal!
